**All Minimum Sizes shown for our Raised Panel door designs are for SRP style ONLY...ARP & CRP style doors require an additional 2 inches or more, depending on the door design.

**SLB = Slab (All designs can be ordered as a slab & will have the matching door edge unless square edges are requested)

**SRP = Square Raised Panel

**ARP = Arched Raised Panel

**CRP = Cathedral Raised Pane

**SEM = Semi-circle Raised Panel

**RR = Reduced Rail Raised Panel
